Sublimation printed design is only possible on polyester.

In the standard sublimation printing process, fabric patterns are printed first and then sewn together to create the final product. Due to this method, please note that the alignment of the pattern at the seams may not always be exact.

Prices are based on train shipment. Optional extra costs per piece for express transport by air by 500 and 1000 pairs. To get a complete price add transport costs for delivery at the requested address in EU, which you can find underneath.

Prices are based on current transport prices, these are fluctuating. We will verify prices at the time of your order, and adjustments may be made if necessary.
