WOOLEN SOCKS

SOXS.co has succeeded in producing a woolen sock that has many advantages over the traditional goat wool socks as we know them. To begin with, the SOXS look hip and have eye-catching coloured brand labels.

We would like to show you the various possibilities of SOXS. The socks can be used as a (business) gift with a personalized communication expression.

Sublimation printed design is only possible on polyester.

In the standard sublimation printing process, fabric patterns are printed first and then sewn together to create the final product. Due to this method, please note that the alignment of the pattern at the seams may not always be exact.

Prices are based on train shipment. Optional extra costs per piece for express transport by air by 500 and 1000 pairs. To get a complete price add transport costs for delivery at the requested address in EU, which you can find underneath.

Prices are based on current transport prices, these are fluctuating. We will verify prices at the time of your order, and adjustments may be made if necessary
